

THE BEST MUZZLELOADER YOU'VE EVER SHOT. OR YOUR MONEY BACK.

CVA is ready to prove to you that the ELECTRA rifle, with its patented ARC electronic ignition, is the best muzzleloader you'll ever shoot. In fact, we'll guarantee it. That's right, a MONEY-BACK GUARANTEE that you'll love this muzzleloader! What other muzzleloader gives you that?

Shooting is Believing so Take the Risk-Free ELECTRA Challenge. We're so confident in the ELECTRA that we're giving you a Money-Back Guarantee! Just buy an Electra and our recommended powder and bullet (IMR White Hot Pellets and PowerBelt 295 grain AeroTip bullets), then test fire this deadly combo for up to two weeks. If you don't agree that you've got the fastest loading, easiest cleaning and most accurate muzzleloader you've ever shot, CVA will refund you the purchase price of your ELECTRA. NO QUESTIONS ASKED!

Offer Details: Buy an Electra, IMR White Hot Pellets and PowerBelt 295 AeroTip Bullets between now and December 31, 2009. Then, take the gun out and test fire it for up to two weeks. If you are not totally satisfied, just ship the cleaned and undamaged ELECTRA back to: CVA Electra Test Fire, 5988 Peachtree Corners East, Norcross, GA 30071, along with the receipts for the gun, the IMR White Hot Pellets and the PowerBelt Bullets. (Return package MUST be postmarked within 15 days of the purchase date noted on the gun receipt.) The full purchase price of the gun will be refunded to you within four weeks.

All that being said we don't expect to get a single gun back. In fact, after you shoot it, you probably won't part with your new ELECTRA for any amount of money. cva.com
